

LACC Plan

Duration: FY25-26 (July 1, 2025 – June 1, 2026)

Allocation Amount: \$807,478.00

Project Summary:

GGRC will finalize its website for visual accessibility with more infographics and communicative photography for other than English speakers who may need visual references to better navigate the website and to understand specific content. GGRC will also work with a contractor to translate its Future is Now course for caregivers and individuals served into Cantonese as well as host classes with the possibility of also training GGRC trainers depending on GGRC staff capacity. The ARC will cross train parent facilitators as available. Contract will implement survey development to administer and collect survey data regarding Language Access and Cultural Competency needs of individuals served and unmet service needs. GGRC will also host/attend several cultural and inclusivity focused outreach events including a Deaf+ Conference, Multicultural Resources Fair, hosting roundtables and small-scaled events with Hispanic, Deaf+, African-American, LGBTQIA+ identifying GGRC consumers and community members.

Ethnicity and Language: Chinese – Cantonese / ASL / Latinx - Spanish
